

# FCC – Supplier's Declaration of Conformity

## 47 CFR § 2.1077 Compliance Information

Product:

### ConnectBox with built-in WLAN interface

Part No. CBX\_V1R3 with built-in CWM\_V1R1 module

(Contains Transmitter Module FCC ID: 2ADHKATWINC1500U)

Responsible Party – U.S. Contact Information:

### PoziTech, Inc.

3675 Webber St

Sarasota, FL 34232

gyula.lukacs@pozi.tech

### FCC Compliance Statement(s):

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- (1) This device may not cause harmful interference, and
- (2) this device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a Class A digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference when the equipment is operated in a commercial environment. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instruction manual, may cause harmful interference to radio communications. Operation of this equipment in a residential area is likely to cause harmful interference in which case the user will be required to correct the interference at his own expense.

Change or Modifications that are not expressly approved by the manufacturer could void the user's authority to operate the equipment.

This product does not contain any user serviceable components and is to be used with the provided antennas only. Any product changes or modifications will invalidate all applicable regulatory certifications and approvals.

The provided antenna(s) must be installed with a separation distance of at least 6.5 cm from all persons and must not be co-located or operated in conjunction with any other antenna or transmitter.

For product available in the USA market, only WLAN channel 1~11 can be operated. Selection of other channels is not possible.
